

CASTELLO DI
FONTERUTOLI

VICOREGIO 36 2021

The quintessence of our research on Sangiovese at Castello di Fonterutoli resides in an experimental vineyard, planted in ideal pedoclimatic conditions for Sangiovese: 36 different biotypes of Sangiovese, including 18 massal selections coming from our old vineyards. A cutting edge agronomical project creates a Cru that also embodies monovarietal and blend at the same time.

Appellation:	Chianti Classico Gran Selezione DOCG
Winery:	Castello di Fonterutoli
Grape varieties:	100% Sangiovese from 36 biotypes
